

[American Favorites]

tomato collection

beefsteak

Meaty and delicious slicing tomato. Huge, ribbed fruits up to 2 lbs. Uses: sandwiches, salads, stuffed.

Indeterminate

big beef

Extra-large, 10-12 oz fruit with real, old-fashioned tomato taste. Disease resistant. Uses: sandwiches, salsa, salads.

Indeterminate

celebrity

Red, globe-shaped 7-8 oz tomatoes famous for their flavor. Disease resistant. Uses: sandwiches, salsa, canning.

Determinate

roma

Heirloom variety with meaty, 2 oz plum-shaped fruit.

Uses: canning, sauces, salads.

Determinate

early girl

The classic, early-season slicing tomato. Yummy, 4-5 oz fruit. Disease resistant.

Uses: sandwiches, salads, sauces.

Indeterminate

sweet 100

Vigorous grower with loads of deliciously sweet and juicy, 1 oz cherry-type tomatoes.

Uses: snacking, salads, grilling.

Indeterminate

DETERMINATE: Compact, bushy plants that produce a single crop, which ripens over a two-week period. Good in containers and for canning.

INDETERMINATE: Tall, vining plants that produce tomatoes throughout the growing season. May need to support plants with stakes or cages.
